**HOWARD KYLE**  
Vice Pres., Secy.

## HISTORY OF OUR BUSINESS

### Peter Bohlender Stayed Home While Gold Miners Rushed West To Calif.

In 1849, Peter Bohlender, a poor, young immigrant from Bavaria with no formal education, began growing fruit trees near Dayton, Ohio. Although he founded Spring Hill Nurseries with the smallest of shoe string beginnings he soon became recognized as a leader in Horticulture. People found they could depend on his plants. These people told their friends and slowly but surely the fame of the nursery spread.

Today in 1950 we have one of the largest and most modern nurseries, producing over one million plants each year which are shipped to every state in the union.

W. F. Bohlender, son and H. N. Kyle, son-in-law, assumed active management for 33 years. In 1929 Tom Kyle completed his Horticultural schooling at O.S.U. and entered the business as production manager. In 1937 Tom and Howard Kyle, grandsons of the founder, assumed full ownership and management. For three generations now, 101 years, the business has been continuously operated. Each generation has had a natural love for plants and all grew up working in the fields.

### Specialties

We specialize in SHRUBS (L.O.) abbreviation for lining out. It is our policy to discard culls and make strong grades heavy enough for field planting.

**HARDY CHRYSANTHEMUMS**—We grow over 400 varieties of chrysanthemums, planting about 200,000 plants each spring. Visit us this fall and see acres of hardy mums in all colors, types, sizes and blooms. We are not hybridizers but grow all the new introductions we can purchase.

Three generations of continuous service; owned and operated by Peter Bohlender's grandsons—Tom and Howard Kyle.

## TERMS and CONDITION of SALE

**GUARANTEE AND LIABILITY**—All nursery stock in this list is guaranteed, graded to A.A.N. standards, true to name, clean thrifty plants, State and Federal inspected. Our Ohio certificate of inspection accompanies all shipments. All quotations for immediate acceptance and subject to being sold. We give no warranty express or implied as to description, life, quality, productiveness or any other matter of any nursery stock, seeds, or bulbs we sell. In no case will we be liable for a greater amount than the original purchase price. Contracts subject to crop or conditions beyond our control.

**CLAIMS**—For any cause must be made immediately in writing on receipt of stock.

**SHIPMENT**—Travel at risk and expense of purchaser.

It is best to give specific shipping instructions. Otherwise we use our best judgment. While we do our utmost to secure prompt delivery we are not liable for delays in transit. Our responsibility ends upon delivery to carrier. We cooperate to remedy loss between purchasers and carriers.

**PACKING CHARGES**—Net F.O.B. Tipp City. Extra at cost of material and labor.

**PRICES**—Are based on present market conditions and subject to change without notice. They are wholesale and intended to legitimate trade only. We will appreciate anyone in the trade advising us should someone receive our list not entitled to same. 1 to 4 plants at each rate, 5 to 24 of a variety at 10 rate, 25 or more of a kind at 100 rate, 250 or more at 1000 rate.

**TERMS**—2%, 10 days, 30 days net when credit is established. Otherwise cash. All C.O.D. orders require 25% deposit.

**MEMBER AMERICAN ASSOCIATION OF NURSEYMEN  
OHIO STATE ASSOCIATION OF NURSEYMEN**

**NOTICE** In the rush of planting seasons it is difficult to serve customers on short notice. Therefore we can give better service when you make an appointment in advance. Wholesale orders taken at our office on Sundays: however, no wholesale orders dug, assembled or loaded on Sundays, except by previous arrangement.

**For individual selection and field tagging add 25% to list prices.**

All contracts, orders and agreements are subject to restricted transportation, labor shortage, material priorities and other emergencies, therefore Bohlender Nurseries Co. cannot be responsible when any of the above conditions limit or make impossible performance. Absolutely no agents or salesmen.

### BLenheim HARDY APRICOTS

From our experience these seedlings are thrifty, fast growing. They make excellent understocks and are fine fruiting trees from seed.

**PERSONAL SERVICE**—Many items not in catalog. For special sizes and items write - Tom Kyle, Personal Service Dept., Bohlender Nurseries Co., Tipp City, Ohio.

PHILADELPHUS Mixed		MOCK ORANGE	
This fine lot of 2 yr. field grown plants is an assortment of leading varieties at SPECIAL LOW PRICES.			
18-24 in., transplants.....	1.75	15.00	-----
2-3 ft., transplants.....	2.25	20.00	-----
3-4 ft., transplants.....	3.00	27.00	-----

## Bohlender's Hardy Vines

Their uses are many. Unsightly banks, fences, buildings, etc., can be beautified at a small expense. A sunny porch made cool: a plain front porch appears as if draped with expensive petaled curtains.

# BOHLENDER'S HI-QUALITY FRUIT TREES

Superior Northern grown. High yielding strains of best commercial and home orchard varieties. We grow most of our fruit trees and invite your inspection. Careful bud selection insures vigorous hi-yielding strains.

## NEW AND BETTER APPLES

Listed in Approximate Order of Ripening.

- YELLOW TRANSPARENT**—First to ripen. Dependable, high yielding early variety. Large golden.
- NEW LODI**—Extra early large golden apple, surpassing Yellow Transparent for cooking and eating.
- WEALTHY**—The leading summer variety. Heavy yielding, high quality, red striped, fine grained.
- McINTOSH**—Follows Wealthy for season. A bright red tangy apple for eating and cooking.
- JONATHAN**—High quality, crisp, bright red fruits. Quality, quantity, unsurpassed for eating and cooking.
- FRANKLIN**—New Ohio Agr. Experiment Station introduction. Highly recommended for trial.
- ANOKA**—Often bears fruit the first year. Large, well-formed red striped fruits.
- RAMBO**—Well known favorite for good flavor. No other apple is prized so much for eating.
- DOLGA CRAB**—New high yielding, scarlet fruit; excellent for jams, jellies, good for pollination.
- GRIMES GOLDEN**—Our leading yellow apple. Dependable and tasty, for cooking and eating.
- SWEET DELICIOUS**—New New York Experiment Station introduction. Recommended for trial.
- DOUBLE RED DELICIOUS**—Famous for color, mellowness, flavor, cooking and eating.
- YELLOW DELICIOUS**—Same shape, size and quality of regular Delicious. Excels in quality and yields.
- MELROSE**—New Ohio Agr. Exp. Sta. Introduction. Recommended highly for trial. Write to Ohio Agr. Experiment Sta., Wooster, Ohio for more detailed information.
- BLAX STAYMEN**—Improved dbl. red sport of Staymen Winesap.
- STAYMAN WINESAP**—A champion for size, quality, productiveness. Leading cooking and eating apple.
- DBL. RED BALDWIN**—Old favorite with rich, juicy red apples that keep into the winter. Yields large crops.
- RED ROME BEAUTY**—Late keeping, cooking apples. Unsurpassed for its yield.

APPLE TREE PRICES—All varieties of Apple trees alike or assorted.

Age & Size	1-9 trees Each	10-19 trees Each	20 trees up Each
1st size, 11/16 in. up, 5 to 7 ft., 2 yr.....	.60	.50	.45
2nd size, 9/16 to 11/16 in., 4 to 5 ft., 2 yr.....	.50	.40	.35

## DELICIOUS HARDY PEACHES

Listed in approximate order of Ripening

- EARLY RED JUNE**—Large brilliant red fruits. 1st to ripen, creamy white, semi-cling.
- CUMBERLAND**—Recent Ohio Agr. Exp. Sta. introduction. Large and beautiful white freestone.
- GOLDEN JUBILEE**—Early yellow freestone peach of superb quality, color and flavor.
- RED HAVEN**—Recent Mich. Exp. Sta. introduction. Highly colored early yellow freestone of fine quality.
- EARLY ELBERTA**—Select large early strain, buds cut from local bearing orchard.
- LEMON ELBERTA**—One of the most beautiful and highest quality strains we have ever seen. Sells for premium prices because of color, size and firmness.
- CHAMPION**—Recommended as best eating and quality white freestone.
- HALE HAVEN**—Hardy cross of J. H. Hale and South Haven with the best characteristics of each.
- SHIPPERS BIG RED**—Select large colorful strain. Big, high quality freestone peach.
- BELLE OF GEORGIA**—Beautiful, big, red blushed freestone fruits with creamy white flesh.
- ELBERTA**—Juicy, golden-yellow freestone. The old reliable, most popular money-making variety.
- GAGE ELBERTA**—Ripens a little later than Elberta. High yielding, hardy strain of great beauty.
- FERTILE HALE**—New select strain of Hale. Famous for size, beauty and quality.
- VEDETTE**—Recent Canadian introduction. Large yellow freestone of good quality; dependable.
- J. H. HALE**—Earlier than Elberta, superior color, size and flavor. Large, tender yellow freestone.
- KAL HAVEN**—Recent Michigan Exp. Sta. cross. Doing fine in commercial plantings. Large yellow freestone.
- CRAWFORD LATE**—Famous old yellow freestone variety for yields and quality. Profitably grown again with new sprays.
- LIZZIE**—Without a doubt, the best late yellow freestone peach.

## PLUM AND PEAR TREES

**STANLEY PRUNE PLUM**—Extra large, deep bluish-purple, sweet, firm, and excellent fruits.

**BURBANK PLUM**—Large, excellent quality cherry-red fruits. Trees hardy and vigorous.

**FELLENBURG PLUM**—Large, dark plums with bright blue overcoat. Sweet yellow flesh.

**SHROPSHIRE DAMSON PLUM**—Select heavy yielding, vigorous growing strain.

**YELLOW EGG**—Large, golden fruit. Trees hardy and productive. Highly recommended.

**SHIPPER'S PRIDE**—Resistant to brown rot. Reliable and heavy yielder with medium sized blue fruit.

**CLAPP'S FAVORITE PEAR**—Excellent high yielding variety. Similar to Bartlett in size and quality.

**MAXINE PEAR**—New blight resistant pear. Excellent quality and size, highly recommended.

**SECKEL PEAR**—Well known small sugar pear, prized for rich flavor for eating, desserts and pickling.

**DUCHESS PEAR**—Largest of the really good pears. Well flavored with sweet and mellow white flesh.

**KIEFER PEAR**—Excellent keeping pear, favorite for canning and marketing, large fruits.

**BARTLETT PEAR**—Large waxen-yellow with red-blushed cheeks, ripening in August.

## OLD HOME PEAR

Recommended by the horticultural department of Ohio State University and Ohio State Experiment Station. This new pear is considered so blight resistant that it should be planted for top working of other varieties of pear. We offer a limited number of Bartlett pear topped worked on two year Old Home stock and offer one year Old Home pear that has not been topped worked.

For more information about Old Home pear write to Ohio State University, Dept. of Horticulture, Columbus, Ohio.

**TOP WORKED BARTLETT, 11/16 in., 4 to 6 ft., 2 yr., \$1.15 each; 10 for \$11.00.**

## SOUR AND SWEET CHERRY TREES

### SOUR CHERRY TREE VARIETIES

**MONTMORENCY**—The highest yielding, canning and pie cherry. Money making crops of extra large fruit.

**EARLY RICHMOND**—The first reliable sour cherry to ripen. Unsurpassed for canning and pies.

### SOUR CHERRY TREE PRICES OF ABOVE VARIETIES

Specify if you wish 1 or 2 yr. trees. 1 year trees grow best and are considered more satisfactory by most growers.

Age & Size	1-9 trees Each	10-19 trees Each	20 trees up Each
Giants, 3/4 in. & 1 in., 5 to 7 ft., 2 & 3 yr.....	1.25	1.15	1.10
1st size, 11/16 in. up, 4 to 6 ft. tall, 1 or 2 yr.....	.95	.85	.80
2nd size, 9/16 to 11/16 in., 3 to 4 ft., 1 or 2 yr.....	.80	.70	.65
3rd size, 7/16 in. to 9/16 in., 2 to 3 ft., 1 or 2 yr.....	.65	.55	.50
4th size, 5/16 in. to 7/16 in., 2 ft., 1 or 2 yr.....	.50	.40	.35

### SWEET CHERRY TREE VARIETIES

**WINDSOR**—Vigorous growing, hardy, high yielding. Most satisfactory black sweet cherry for Middle-west.

**ROYAL ANN**—The big, golden-amber cherry with red blush. Popular for eating.

## CHOICE RASPBERRIES

**RASPBERRIES** Certified Plants of best varieties. Bohlender's raspberries have been examined two or more times each year by Ohio Division of Plant Industry and meet the rigid specifications of Central Plant Board. Raspberries are easy to grow and one of the most profitable small fruits.

Variety and Size	Per 25	Per 100	Per 500	Per 1000
LATHAM, No. 1 tips	2.75	8.95	35.00	60.00
BRISTOL, No. 1 tips	2.25	6.95	25.00	37.50
CUMBERLAND, No. 1 tips	2.10	6.50	22.50	35.00
NEW LOGAN, No. 1 tips	2.00	5.95	20.00	32.50
INDIAN SUMMER, XX $\frac{1}{4}$ " & up	3.50	12.50	50.00	90.00

## REGISTERED RASPBERRIES

Propagated by the Ohio Small Fruit Improvement Association. Almost disease free; every plant individually hand tipped, graded and dug by members of the Association under strictest inspection and regulations permitting 1% or less virus disease and not more than  $\frac{1}{4}$ % of gall in parent plants. Bohlender does not recommend you purchase these extra quality plants unless you can plant them away from uninspected raspberries. An isolated patch with proper care will far outyield ordinary plants and remain healthy for years. We can supply Bristol, Logan, and Cumberland in registered plants.

	25	100	500	1000
BRISTOL	\$2.95	\$9.95	\$40.00	\$55.00
CUMBERLAND	2.75	8.95	35.00	47.50

**BOHLENDER NURSERIES CO., TIPP CITY, OHIO**

# STRAWBERRIES

Large quantities of America's best strawberries are contract grown each year. They are scientifically cooled in our refrigerated cold storage for extra vigor. The following varieties ready for spring shipment throughout the season.

**PREMIER**—The greatest, extra-early ripening variety. Remarkably frost resistant with long fruiting season. Big crops of bright, solid red fruit above average size and uniform, attractive shape. Self pollenizing and good plant maker. **Reduced prices. 25 plants 75c; 50 plants \$1.25; 100 plants \$2.00; 200 plants \$3.50; 500 plants \$7.50; 1,000 plants \$12.50.**

**SCARLET BEAUTY (Robinson)**—Comparatively new; large fruiting productive variety. Excellent grower; good plant maker, and self pollenizing. Early season; attractive red berries ripen 10 to 15 days after Premier. **25 plants 75c; 50 plants \$1.25; 100 plants \$2.00; 200 plants \$3.50; 500 plants \$7.50; 1,000 plants \$12.50.**

**SPARKLE**—New, outstanding variety for middle-west and east. Ripens late, excellent quality to the last. Above average in size. Glossy, dark red fruit that is rated the best for freezing. Immune to red stele disease—will grow where others have failed. Self pollenizing, vigorous growing and heavy plant maker. **25 plants 90c; 50 plants \$1.50; 100 plants \$2.25; 200 plants \$4.00; 500 plants \$8.75; 1,000 plants \$15.00.**

**TEMPLE**—This USDA introduction is hardy and rugged; fully red stele resistant. Large, firm, smooth, bright red, sweet-flavored fruit. Recommended for home and commercial plantings. **25 plants 90c; 50 plants \$1.50; 100 plants \$2.25; 200 plants \$4.00; 500 plants \$8.75; 1,000 plants \$15.00.**

**BLAKEMORE**—The most planted early shipping berry. Sensationally big yields. Large, firm, crispy red fruit that holds its big size throughout the season. Ripens a few days after Premier. Fine quality variety, becoming very popular. **25 plants 70c; 50 plants \$1.05; 100 plants \$1.65; 200 plants \$2.80; 500 plants \$5.75; 1,000 plants \$9.00.**

**SENATOR DUNLAP**—The old reliable money-making, mid-season variety planted by the million. Seldom fails to have a big crop. Large, delicious berries are unsurpassed for eating, preserving and freezing. Self pollenizing with the ability to produce a crop in a wider range of soils and climates than any other variety. **25 plants 75c; 50 plants \$1.10; 100 plants \$1.70; 200 plants \$2.90; 500 plants \$6.00; 1,000 plants \$9.50.**

**TENNESSEE SHIPPER**—Early, firm, well-colored berry of large size that retains its size throughout the season. High yielding and a fine shipper. Recommended for its high quality and productivity. **25 plants 85c; 50 plants \$1.15; 100 plants \$1.75; 200 plants \$3.00; 500 plants \$6.25; 1,000 plants \$10.00.**

**TENNESSEE BEAUTY**—New, early, large berry of good color. Excellent quality. Very satisfactory for the home garden and profitable for commercial growing. Shows great promise. **25 plants 85c; 50 plants \$1.15; 100 plants \$1.75; 200 plants \$3.00; 500 plants \$6.25; 1,000 plants \$10.00.**

## EVERBEARING STRAWBERRIES

**GIANT GEM**—The dependable, everbearing variety. Will bear fruit this summer and fall. Gem is cheaper than other kinds because it makes so many plants. Large, firm fruit of good flavor. Self pollenizing. Recommended for commercial planting. **25 plants 80c; 50 plants \$1.30; 100 plants \$2.35; 200 plants \$4.20; 500 plants \$9.25; 1,000 plants \$16.00.**

**STREAMLINER**—Guaranteed to bear in your garden all summer. Sweet as honey, jumbo size, bright color, uniform in size, self-pollenizing, the finest quality of all. Begins bearing 8 to 10 weeks after planting and you have fruit until heavy frosts. **25 plants \$1.00; 50 plants \$1.75; 100 plants \$3.00; 200 plants \$5.50; 500 plants \$12.50; 1,000 plants \$22.50.**

**SUPERFECTION**—Fine, new everbearing strawberry. Fruits a few weeks after planting and will continue fruiting till winter. Vigorous grower and a heavy plant maker. Large, bright red, firm fruit of superb quality. Recommended. **25 plants \$1.90; 50 plants \$3.25; 100 plants \$5.75; 200 plants \$9.90; 500 plants \$21.00.**

## HARDY GARDEN PLANTS

VITAMIN RICH - NEW REDUCED PRICES

**WASHINGTON ASPARAGUS**—Big, annual crops, easy to raise. Giant rust-resistant strain, ahead of others in size, tenderness and long cutting period. The leading asparagus. The first fine vegetable of spring. Like sweet corn, it is best when cut from your own garden and cooked immediately. Grow it as a beautiful ornamental plant if you have no vegetable garden.

	25	100	1000
1 yr. No. 1.....	1.25	3.05	.....
2 yr. No. 1.....	1.98	5.95	.....
3 & 4 yr.....	2.65	8.75	.....

**NEW PARADISE ASPARAGUS**—A grand new variety, producing younger and heavier than any other asparagus. The stems are large, tender and green like Washington, even milder flavor. Bohlender strongly recommends Paradise as a new money-maker and a better variety that deserves all its acclaim and popularity. If you have only a limited space, plant Paradise; it yields so heavily.

	25	100	1000
1 yr. No. 1.....	1.45	4.25	.....
2 yr. No. 1.....	2.40	6.95	.....
3 & 4 yr.....	3.50	11.95	.....

## RHUBARB (Pie Plant)

A big supply—guaranteed some high quality at new extra low prices.

**NEW CHIPMAN'S CANADIAN RED RHUBARB**—This new rhubarb has flavor and color of Ruby. The newest and rated one of the finest of all rhubarbs. It is well worth the slight additional cost. **Hand cut divisions, big 2 yr. No. 1, 60c each; 10 for \$4.95; 25 for \$11.25; 100 for \$40.00.**

**GIANT RED McDONALD RHUBARB**—Most popular, high yielding. A fine high-yielding rhubarb. Giant stalks are two or three times larger than common rhubarb, extra red and very tender. It never seeds and stays tender and juicy for months. A tremendous yield, vigorous, and hardy. Bohlender guarantees true imported strain. **Hand cut crown divisions, big 2 yr. No. 1, 50c each; 10 for \$4.50; 25 for \$9.75; 100 for \$35.00.**

**BOHLENDER NURSERIES CO., TIPP CITY, OHIO**

## America's Largest Selection Of Garden Chrysanthemums

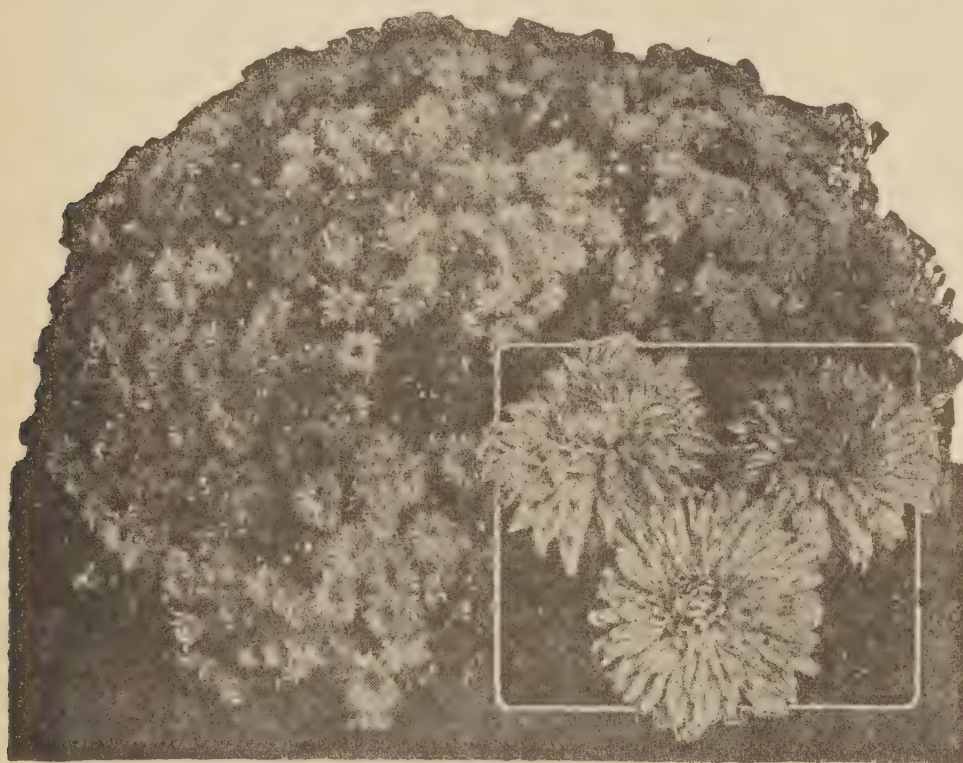

Sell or plant Bohlender's big established pot plants. A fast-selling, profitable item for spring. A quick, easy to grow, blooming crop for Fall.

**DECLARATION OF QUALITY!!!** Over 200,000 planted each spring. In autumn when plants are in bloom we select only best mother plants for propagation. You are cordially invited to visit our nurseries. Plan to come this fall when our acres of mums are in bloom.

\*Starred varieties grown outdoors in cold frames under glass. These varieties are usually not ready until late April. Other varieties can be shipped promptly any time after the middle of February.

Not less than 10 of a kind sold. 25 or more plants at 100 rate.

## BIG ENGLISH CHRYSANTHEMUMS

The blooms are extra large and striking. We have purchased and grown all varieties of English mums we could buy from reliable growers. We find here at Tipp City only a few varieties are worthy of growing in the Middle

## BIG GREENHOUSE CHRYSANTHEMUMS

Large Commercial (Early Flowering Varieties). Grow them outdoors. The following are the giant blooming varieties, grown by commercial florists, that bloom in October. They must be taken up and potted in the North as

they are not winter hardy. To produce the extra large blooms fertilize or feed plants and disbud, leaving only one to three blooms per plant, also be sure to stake. Plants grown this way are magnificent.

West. Most of them require special care and longer growing season to bloom.

**BOHLENDER NURSERIES CO., TIPP CITY, OHIO**

## America's Largest Selection Of Garden Chrysanthemums

Sell or plant Bohlender's big established pot plants. A fast-selling, profitable item for spring. A quick, easy to grow, blooming crop for fall.

**DECLARATION OF QUALITY!!!** Over 200,000 planted each spring. In autumn when plants are in bloom we select only best mother plants for propagation. You are cordially invited to visit our nurseries. Plan to come this fall when our acres of mums are in bloom.

Not less than 10 of a kind sold, 25 or more at 100 rate.

## NEW LILLIPUTIAN CHRYSANTHEMUM

An entirely new section of hardy Chrysanthemum. More dwarf than anything yet seen. Nice, round, symmetrical plants grow only 10 to 15 inches tall. Extremely free flowering, often up to 500 blooms per plant.

The dwarf, spreading plants are ideal for potting and are perfectly hardy for outdoor planting. Blooms are double and of good size. Without a doubt the finest innovation for years. All varieties have won Royal Horticulture Society Medal and most varieties have won additional honors.

**BASHFUL**—Bronze—red, bushy.

**DOC**—Light rose-red; our favorite.

**EMU**—Deep rose-red with purple suffusion.

**HAPPY**—Large double clear yellow.

**HONEYBUD**—Orange-amber color.

**PHEASANT**—Anemone-centered flowers of pale strawberry color.

**PIMPERNEL**—Chestnut; free flowering.

**THRUSH**—Yellow speckled with bronze.

Choice of above Lilliputian Mums, 2 in. pot plants, 6 for \$2.50; 12 for \$4.20; 25 for \$7.50.

## New Imported Rubellum Hybrid Chrysanthemums

by Perry's of England

First time offered in America. Excellent, late summer and autumn blooming plants for borders, bedding, potting and cutting. Each plant produces several hundred, big, single flowers the first year. Robust, hardy plants, easy to grow and propagate. After three years' testing in America Bohlender offers the best (Perry's of Enfield) new varieties. All big, single blooms with gold centers.

**DUCHESS OF EDINBURGH**—Glowing Crimson.

**FRIDA**—Orchid Pink.

**JERVIS BAY**—Lavender—pink.

**MORIA GODDARD**—Flesh-Pink.

**PAUL BOSSIER**—Big Orange.

**PRINCESS MARGARET**—Coral-pink.

**ROYAL ENFIELD**—Cherry-red.

**SPITFIRE**—Rose-red.

Choice of above Rubellum Chrysanthemums, 2 in. pot plants, 6 for \$2.10; 12 for \$3.60; 25 for \$6.25.

### HIGHLY RECOMMENDED FOR TRIAL

The above varieties were imported in 1948 along with many more. Lilliputian and Rubellum varieties listed are the cream of the best varieties in our trials. Rubellum are recommended for exceptional winter hardiness.

## PERENNIALS

Field grown perennials mostly untransplanted. Grown in fertile loam soil, planted in rows 42 inches apart. Clean, cultivated, vigorous, healthy plants at Big Savings! We invite you to come to the nursery and see our extensive perennial planting. Do not confuse with ordinary seedlings as all varieties were planted in early spring and are larger.

Not less than 10 of a variety sold; 25 or more of a variety at 100 rate; 250 or more at 1,000 rate. Quantity orders subject to samples.

	10	100	1000
<b>ALYSSUM SAXATILE COMPACTUM</b> (Baskets of Gold)—Low growing, clusters of bright yellow blooms in early spring. Untransplanted, row run.....	-----	3.50	30.00
<b>ANCHUSIA ITALICA DROPMORE</b> —Tall, grows 5 to 6 ft. Gentian blue forget-me-not blooms. Very hardy, heavy plants.....	-----	6.00	50.00
<b>ANTHEMIS KELWAY'S</b> (Chamomile)—Blooms continuously throughout the summer. Beautiful yellow daisies. Row run.....	-----	3.50	30.00

## DWARF, HARDY TYPE ASTERS

Hardy plants completely covered with blooms during the blooming season. Plants do not exceed 1 ft. in height. Valuable for rock gardens and borders. All Asters sold as 24 pot plants only.

	10	100	1000
<b>CONSTANCE</b> —Dwarf. Clear, shell-pink flowers on low, compact plants.....	1.50	10.00	-----

## GIANT FLOWERING HARDY PHLOX

They will bloom for you this summer and many more years. Dig every 3 years and divide; cut old flowers to prolong blooms; this also destroys seed. Plant 15 inches apart. Spring Hill's phlox are all new, improved, giant-flowering varieties of medium height (florets often large as half dollars). No other hardy plant gives such a showy mass of bright mid-summer blooms. Big No. 1 plants.

**JULY LIGHTS**—Brilliant cherry-red.  
**BORDER QUEEN**—Watermelon-pink.  
**MARY LOUISE**—Finest white.  
**CHAS. CURTIS**—Orange-scarlet.  
**BLUE BOY**—Blue with lavender sheen.  
**PRIME MINISTER**—White with red eye.  
**SAN ANTONIO**—Rich ruby-red.  
**SALMON GLOW**—Rich salmon-orange.

Choice of above 8 varieties of hardy phlox. Big No. 1 field grown plants, not sold less than 5 of a variety. 5 for 90c; 10 for \$1.65; 25 for \$3.75; 100 for \$13.50.

## Peonies

visions from old plants that are often diseased.

**PRIMEVERE (Yellow)**—Big, Mother of Pearl collar; golden-yellow center, unusual, beautiful; recommended. 65c each; 5 for \$3.00; 10 for \$5.75.

**SOLANGE (Salmon-buff)**—Immense, double blooms, color of coffee with cream. Different and beautiful. 75c each; 3 for \$3.50; 10 for \$6.50.

**MISS ECKHART (Rose-red)**—Beautiful big, double blooms of clear, bright pink. Excellent for cutting. 55c each; 5 for \$2.50; 10 for \$4.75.

**FESTIVA MAXIMA (White)**—Most reliable and beautiful big, double white. Unsurpassed. 50c each; 5 for \$2.25; 10 for \$4.25.

**KARL ROSENFELD (Crimson)**—Big, double, rich, velvety-crimson. Excellent bloomer. 55c each; 5 for \$2.50; 10 for \$4.75.

**SARAH BERNHARDT (Apple blossom pink)**—Immense, double, free flowering pink of perfect form. Ideal for cutting. 60c each; 5 for \$2.75; 10 for \$5.25.

**INSPECTOR LAVERGNE (Red)**—A great big, double scarlet-crimson. Early blooming, free flowering, striking brilliance. 70c each; 5 for \$3.25; 10 for \$6.25.

## BALL OR SHOW DAHLIAS

Tremendous bloomer with single flowers of medium size (2 to 3 inches across) on long stems. Unsurpassed for cutting and garden display. Varieties listed are the best of their color; all good, vigorous growers and profuse blooming.

**A. D. LIVONI**—Rated the best pink.  
**RED CHIEF**—Striking bright red.  
**STORM KING**—Magnificent pure white.

Not less than 5 of a kind sold. Choice of above 3 varieties of Ball Dahlias. 5 for 90c; 10 for \$1.65; 25 for \$3.85; 100 for \$14.75.
